

PUBLIC NOTICE

Notice of Intent to Adopt a Negative Declaration and Notice of Availability of the Initial Study with proposed Negative Declaration.

WHAT'S BEING PLANNED

The California Department of Transportation (Caltrans) is proposing to install Wireless Detection Systems sensors, to install Variable Message Signs, to upgrade the Midwest Guardrail System, and to install Maintenance Vehicle Pullouts to assist with equipment maintenance along State Route 1 in San Mateo County. The project proposes to improve daily traffic management capabilities for Caltrans, cities, and first responders and to provide travel information to the traveling public.

WHY THIS AD

Caltrans has studied the impacts that the proposed project may have on this environment and has determined that there are less than significant impacts. The Initial Study (IS) with proposed Negative Declaration (ND) is the environmental document that explains why the proposed project will have less than significant impacts on the environment.

This public notice is to inform you of the preparation of the IS-ND, it's availability for review, August 14, 2020 to September 14, 2020 comment period. We are providing the opportunity to request a public meeting. Please submit your request within the first twenty days of the comment period.

WHAT'S AVAILABLE

You can read the digital version of the Negative Declaration at <https://dot.ca.gov/caltrans-near-me/district-4>.

WHERE YOU COME IN

Your input on the content for the environmental document is requested. Please send your written comments by September 14th to Caltrans District 4, Office of Environmental Analysis, Attn: Nina Hofmarcher, 111 Grand Avenue, MS 8B, Oakland, CA 94612 or via e-mail to nina.hofmarcher@dot.ca.gov.
